Dear Stephanie,

Today is your last chance to Register!

You're invited to join the Women in Cable Telecommunications Pacific Northwest Chapter and Washington Women's Network at Comcast for Speed Mentoring: Using the Power of Relationships!

Have a seat at the executive table and connect with senior leaders from across the industry. This is your chance to engage in high-level, intimate discussions with cable executives. Equal parts speed networking and executive mentoring, the roundtables offer a unique opportunity to exchange ideas and glean wisdom with those that have blazed a trail.

Each roundtable will feature an executive as a table moderator.
