4. **Effect of the Existence of a Conflict of Interest.** In the event that it is determined that a conflict of interest exists, and the volunteer leader has made full disclosure of the facts surrounding the conflict, then the Board of Directors shall determine whether the volunteer leader may fully participate in the deliberations and vote on the affected transaction. If the volunteer leader merely discloses the existence of the conflict of interest or potential conflict of interest, yet fails to disclose or is prohibited from disclosing all material facts regarding the conflict, then such volunteer leader shall be prohibited in participating in any manner or form in the deliberations or decisions regarding the affected transaction.

5. **Resignation.** No individual who has an actual conflict of interest shall be required to resign his or her position with **WICT VA** merely because of the existence of a conflict; however, the remaining members of the Board of Directors may make a fair and full evaluation of all facts pertaining to the conflict of interest to determine its extent. If the remaining members of the Board of Directors make a determination in writing that the nature and extent of the conflict of interest is so substantial and of such a continuing nature that it would be impossible for the volunteer leader to discharge the duties of his or her office with the requisite degree of loyalty and integrity , then the Board of Directors may require the resignation of the volunteer leader who is subject to the conflict of interest or secure removal of the volunteer leader as permitted by law.
