Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Business Account Agreement ("Agreement") dated April 29, 2016. Effective March 31, 2017, the question and response to "Are there any restrictions on our accepting deposits to your account?" in the section titled "Deposits to your account" are deleted and replaced with the following:

Are we required to accept all deposits to your account?

No. We are permitted to decline all or part of a deposit, including a cash deposit. Some examples are (a) an item made out to a payee not on your account, (b) an item with an endorsement we are unable to verify, (c) a check or draft issued on a credit account, and (d) a

Account number: 2000028498977 ■ April 1, 2017 - April 30, 2017 ■ Page 3 of 4

non-U.S. item. When we are unable to verify an endorsement on an item, we can also decline to pay, cash, or send the item for collection. We can require all endorsers be present and we may require you to deposit the item instead of permitting you to cash it. For non-U.S. items, please see the response to "How do we handle non-U.S. items?". We may require any person wanting to make a deposit to your account to provide an acceptable form of identification before we accept the deposit for processing.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control.

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Business Account Agreement ("Agreement") effective April 24, 2017. In the section titled "Statements and other information relating to your deposit account", the response to the question "What happens to a dormant account?" is deleted and replaced with the following:

What happens to a dormant account?

We put safeguards in place to protect a dormant account which may include restricting the following:

- Transfers between your Wells Fargo accounts using your ATM/debit card
- Transfers by phone using our automated banking service
- Transfers or payments through online, mobile, and text banking (including Bill Pay)
- Wire transfers (incoming and outgoing)

Normal monthly service and other fees continue to apply (except where prohibited by law).

If you do not initiate an account-related activity on the account within the time period as specified by state unclaimed property laws, your account funds may be transferred to the appropriate state. This transfer is known as "escheat." If your account becomes escheatable, account statements will not be available. Your account will be closed. To recover your account funds, you must file a claim with the state.

All other aspects of the Agreement remain the same. If there is a conflict between the updated response above and the Agreement, the updated response will control.

Thank you for being a Wells Fargo customer. As a valued Wells Fargo customer we hope you find this information helpful. Again, if you have questions or concerns about these changes, please contact your local banker or call the number listed on your statement.
