

Women’s TechConnect Initiative Mentee Application

The Women’s TechConnect Initiative is designed to provide a mentoring relationship between top-ranking and rising cable technology professionals. Interested candidates should have three or more years of professional experience and are prepared to manage increased responsibilities.

Criteria include:

- Working in the technology field in the cable telecommunications industry;
- Exhibiting a level of knowledge, skill and professionalism regarding technology in the cable telecommunications industry;
- Demonstrating a proven track record of success in contributing to their company;
- Ability to dedicate the time required to be a mentee, including:
 - Monthly meetings with your mentor via telephone or in-person;
 - Quarterly learning webinars;
 - Kick-off meeting the evening of Monday, September 16, 2019 in New York at WICT’s Leadership Conference;
 - Graduation in October 2020 at the SCTE•ISBE Cable-Tec Expo®.
(Registration for both the WICT Leadership Conference and the SCTE•ISBE Cable-Tec Expo are complimentary for program participants.)
